Best Practise - I

TITLE: POLLUTION FREE CAMPUS

Goal:

1. To make the college campus free from the pollution
2. To inform and aware the people about the importance of pollution.
3. To plant tree around the college campus area
4. To save the human being from the effect of environmental Pollution.

OBJECTIVES OF THE PRACTICE:

Clean and Green Practices aim at achieving eco-friendly and sustainable environment within the College campus. The main objectives are listed below:

- Implementation of cleanliness agenda among stakeholders
- Initiating activities to protect the environment and to reduce carbon emission by using alternative energy resources
- Minimization of waste generation and safe disposal of the wastes
- Conserving water and recycling it
- Expanding the Greenery within the campus to ensure pollution-free air
- Re-modeling the campus into a smart campus

THE CONTEXT:

Environmental protection / Go Green / Swatch Bharat Mission are the concepts evolved after realizing the harmfulness of pollution which affects not only human health but also the ecological balance. Optimum use of natural resources and keeping our environment clean and green are necessary for healthy living and sustainable future. Converting the institute into clean and Smart Campus by engaging the stakeholders will facilitate dialogue and sharing of ideas amongst

students, faculty and administrators towards Sustainable Development Goals.

Today in the 21st century, the major problem is facing by our country is pollution. The college has taken initiative to free the college campus from the pollution. The college started “Say No To Plastic ” to reduce the pollution and also the college has given information about the pollution to the people.

THE PRACTICE:

The college has been taken initiative to make pollution free campus from the year 2022-23. The college started “Say No To Plastic ” to reduce the pollution . The college also prohibited mobile ban in the college campus. The college also invited guest to give lecture on pollution. For F.Y.B.A, university has started Environmental Studies to aware the students to conserve of environment. The college has also kept dustbins at different places. The separate store room is created to keep all the deadstock material of the college. The college planted trees around the

Title : Cloth Bag distribution

1.Goal :-

- To create awareness about plastic free environment.
- To inform and aware the people about cloth bag.
- To give message about environment.

2.Objectives of the practice

Aim of this practice was to create awareness about the hazards of using plastic products. The objectives are listed below.

- To give information to vendors and say to do use of it.
- Reduce and prevent litter and waste.
- Reuse of these bags.
- The people should be informed not to use plastic bags.To use eco-friendly alternative bags made from fabric to reduce the problem associated with plastic bag wastes.
- We need to raise awareness in communities in pure waste disposal activities.

3.The Context

Cloth bags are also multipurpose, which means that we could reduce your plastic use in many areas of your life. Many people associate cloth bags with grocery shopping, which is great. But, you can also use your tote as bag for work , school, or a trip to the beach. There are many aspects of our lives where we can consciously cut down or eliminate our plastic use. One of the easiest and most impactful ways is to invest in a cloth bag. They are economical, more sustainable and might just give you the peace of mind that you are preventing plastic pollution with every use.

4.The Practice

Mariya Arts And Science college has taken initiative to make pollution free campus from the year 2022-23. The college started “Say No To Plastic ” to reduce the pollution . The college also invited guest to give lecture on use of cloth bags. For F.Y.B.A, university has started Environmental Studies to aware the students to conserve of environment. The college has also distributed many cloth bags at different places. The slogans were also written on that bag. The
